

What,
Kumiko?

Hey,
Reina.

What
do you
mean?

But is
this
really
okay?

We're
always doing
dirty stuff
together,

But we two
started doing this
just like that, and
now it's all we
ever do is this
really okay?

Well, you
know how
normally people in
love do stuff like
going to theme
parks and watching
movies, right?

CUT
IT
OUT

い
い

Hmm...

You want to do normal stuff like that as well?

Per-vert

You aren't normal either, so just admit it

I know, right?

ズーン

Or maybe... This way is better instead..

OF COURSE I LOVE YOU, KUMIKO

HAVEN'T I CON-FESSED TO YOU?

Doing stuff like this with someone you don't even LOVE
Reina, I'd say you're no better

What are you talking about?

That goes
without saying!
I wouldn't be
doing stuff like
that if this
wasn't LOVE

ムッ

Eh?
Hwe?

K
A
A
A!

THAT'S
ALSO
LOVE

...and
Taki-
sensei?

earlier I did
say stuff
about LIKE
and LOVE

You
know,
L

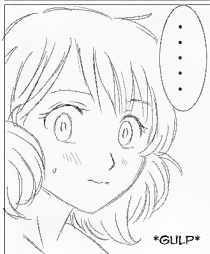

Pff.
what
is
this?

So, with
"love" being
something
"special".

Within me it's
only for
Taki-sensei.

I mean I do
sort of get it,
but intuitively
it feels like
there's just
"love" and
"everything
else".

The
feeling
of **LIKING**.
I don't
really under-
stand it all
that well.

GULP

and
you.

Hmm...

What about you, Kumi-ko?

EH?

バツ

If I had to say it, to me LOVE is more of an absent-minded sort of thing.

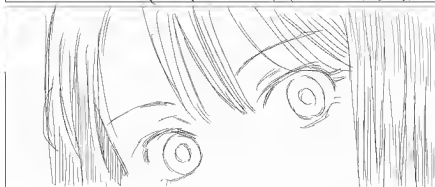

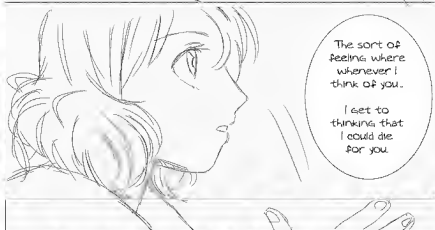

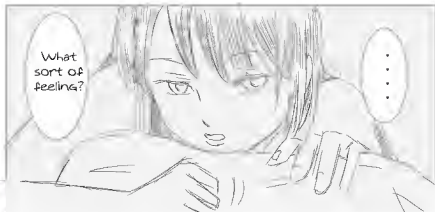

No, I do have the feeling that that's probably it, but it's not like I have any certainty.

Hey there.
You're terrible

Didn't you make a "confession of love" to me?

If I ever
betray you,
you can
really go
ahead and
kill me

I've
said this
before,
but...

But
that's
probably
how I
really
feel..

I guess it's
not okay to
say things
like this
so simply,

SITTING UP

...
